ESCORT SERVICE

**OUR MEDICAL TEAM HAS
VISA-FREE ACCESS TO NUMEROUS
COUNTRIES OVER THE GLOBE.**

We are your one-stop-shop for medical escort services to and from several countries with our services starting from the very first step of the process; obtaining medical information, fitness-to-fly assessment, visa arrangements for patients, airline ticketing, airline medical clearance and arrangement of any medical/non-medical ground transportation throughout the entire journey home.

GEOGRAPHICAL ADVANTAGE

**BASED IN ISTANBUL,
TURKEY**

We possess a geographical advantage and the benefit of access to several major airlines with hundreds of directflight destinations. Among them, we have established a great relationship over the decades with Turkish Airlines-currently flying to most destinations in the world- is one and only special benefit that our clients can take advantage of while planning the repatriation of their members.

BUSINESS SEAT FLIGHT

**COMFORTABLE
FULL FLAT SEAT 180°**

Redstar Aviation is also arranging full flat Business seats for a comfortable flight. In case the patient requires oxygen during the flight we are able to obtain the permit for the POC (Portable Oxygen Concentrator.)
